

A Striving Force.....

Looking towards the end the of year 2010-11, LLOYDS STEEL achieved the highest HOT ROLLED PRODUCTION, i.e. increase of overall 10 % production as compared to last year 2009-10.

This is result of continuous striving effort towards goal of One Million HR Per annum with focus on State of Art Technology.

HR PRODUCTION- Steel Division					
YEAR	SLAB	HR PLATE	HR COIL	HR SHEET	Total HR Prodn
2009-10	499498	58927	295843	133110	487880
2010-11	552913	31073	329928	174324	535325
% Increased	11	-47	12	31	10
