1) EC Identification No. -EC22B008MH126424 & File No. - SIA/MH/IND/70624/2018; Dtd. 29/08/2022 for the installation of 190TPD -Sponge Iron Plant, 4.0MW -WHRB (Captive Power Plant) & 90,000 TPA Iron Ore Beneficiation Plant (Existing Project have been Operational since September 2023, except Beneficiation plant); and

2) EC Identification No. - EC23A1006MH5717615N & File No. -J-11011/465/2022-IA-II(IND-I); Dtd. 03/11/2023 for the expansion by the installation of 2x4.5 MTPA Iron Ore Grinding Unit, 10 MTPA Thickening & Filtration Unit and 2x4 MTPA Iron Ore Pellet Plant (Expansion Project is under Construction phase)

By M/s. Lloyds Metals and Energy Limited situated at Plot no. A-1, MIDC Konsari, Village Konsari, Tahsil Chamorshi, Dist. Gadchiroli for the period of Oct. 2024 to Mar. 2025.

Sr. No.	EC Conditions	Compliance Status
<u>Specific Conditions</u>		
SEAC Conditions:		
1	PP proposes to install waste heat recovery-based power plant of capacity 4 MW at site.	<p>Complied</p> <p>[We have installed 4MW-WHRB, the renewal of Provisional Order received from Directorate of Steam Boilers on Dtd. 25.02.2025.]</p> <p>Please refer Annexure-1</p>
2	PP to provide Zero Liquid Discharge Effluent Treatment Plant.	<p>Complied</p> <p>[We have provided ZLD and treated waste water have been utilized for dust suppression on internal paved roads & plantation purposes.]</p> <p>Please refer Annexure-2</p>
3	PP to ensure that, the tailings generated from iron ore beneficiation are sold to brick manufacturer/ tiles manufacturer and Dolchar generated from sponge iron plant be sold to power plant.	<p>Not Applicable</p> <p>[We have not installed Iron Ore Beneficiation plant and Dolchar has been sold to Brick Manufacturer]</p>
4	PP to carry out detailed bio diversity survey and if any schedule-1 species are observed; PP to prepare wild life conservation plan and submit approved copy of the same.	<p>Complied</p> <p>[We have prepared and submitted the site-specific Wildlife Conservation Plan, the same have been approved by the Chief Conservator of Forest (Wildlife), Govt. of Maharashtra.]</p> <p>Please refer Annexure-3</p>
5	PP proposes to provide 33.7 acre of green belt within the premises. PP to complete green belt development with the provision of drip irrigation before commissioning of the manufacturing activity	<p>Complied</p> <p>[We have done Plantation with the native and indigenous plant species to achieve 33% of Green-belt within the premises. Regular watering is being carried out in the plantation areas.]</p> <p>Please refer Annexure-4</p>
6	PP to ensure to utilize entire CER fund before commissioning of the manufacturing activity in consultation with the District Collector.	<p>Complied</p> <p>[We have been performing the CER activities and entire CER fund is being utilized as per declared 3-Years Phase]</p> <p>Please refer Annexure-5</p>

7	PP to complete rain water harvesting facility before commissioning of the manufacturing activity.	<p>Complied</p> <p>[We have constructed Storm water drains; which has further connected to RWH Pond and recharged to the ground water trough boreholes]</p> <p>Please refer Annexure-6</p>
8	PP to provide sliding gate at entry and exit to achieve maximum turning radius of vehicle entering the site.	<p>Complied</p> <p>[We have provided all the entry & exit with the sliding gate]</p> <p>Please refer Annexure-7</p>
9	PP to submit copies of MoU executed with the cement plants/ brick manufacturers to reuse/dispose fly ash generated at site.	<p>Complied</p> <p>[We have done the MoU with Brick manufacturers for the disposal of fly ash generated at site]</p> <p>Please refer Annexure-8</p>
SEIAA Conditions:		
1	PP submitted MIDC approved plan dated 24.05.2022. As per the said green belt area provided is 167027.515 M2 i.e., 33.21% of total plot area.	<p>Agreed</p> <p>[We have carried out the plantation inside the plant premises as per MIDC approved area covering the 33% of the plant area]</p> <p>(Please refer Annexure-4)</p>
2	PP to undertake Miyawaki plantation of native and indigenous trees such as Banyan, Peepal, Neem, Jamun and other suitable trees as per the Forest Dept., Govt. of Maharashtra circular no. SAVA vi-2019/C.R.3/F-11 dated 25th June, 2019. The said plantation to be completed in the first year of operation of Environment Clearance under expert guidance of Miyawaki Experts / arborist.	<p>Complied</p> <p>[We have carried out Miyawaki plantation with the native and indigenous plant species as per the Forest Dept., GoM]</p> <p>Please refer Annexure-4</p>
3	PP to strictly observe the Solid Waste management rules, 2016 as amended time to time.	<p>Agreed</p> <p>[We are following the Solid Waste Management Rules and amendments made therein from time to time for proper management of solid wastes.]</p>
4	PP to strictly observe the Hazardous Waste and other Wastes (Management & Transboundary Movement) Rules, 2016 as amended time to time.	<p>Agreed</p> <p>[We are strictly following the hazardous wastes management practices and the same will be continued. We have also taken the Membership of CHWTSD Facility, MEPL, Nagpur.]</p> <p>Please refer Annexure-9</p>
5	PP to identify all sources of fugitive air pollution on site and provide pollution control measures to mitigate pollution and meet the standard parameters stipulated in the EP Rule, 1986 amended time to time & Air (PCP) Act, 1981 amended time to time.	<p>Complied</p> <p>[We have provided all the pollution control measures towards prevention of fugitive air generated from the plant premises.]</p> <p>Please refer Annexure-10</p>

6	PP to ensure storage of chemicals as per the manufacture, storage and import of hazardous chemical rules, 1989 amended time to time to ensure no release of any chemical to the atmosphere and leakage to the soil.	Agreed [We are abiding by the said condition.]
7	PP to ensure transport, storage, handling and use of the flammable / toxic chemicals as per conditions stipulated in license / approval of the PESO.	Complied [We have received the NOC from District Magistrate and PESO License for the Storage, Handling & use of flammable liquid.] Please refer Annexure-11
8	PP to obtain approval and license from Directorate of Industrial Health & Safety (DIHS) for proposed project and implement all condition stipulated therein. PP to carry out safety audit as stipulated in the Maharashtra Factories Rules, 1963 and ensure compliance of recommendation of the audit.	Complied [We have obtained Provisional Factory License (FL) from DISH; which is valid till 31.12.2025 and also carried out Safety audit as per MFR, 1963, we are observing the compliance of recommendations of the audit.] Please refer Annexure-12
9	PP to provide solar energy for illumination of administrative building, street lights and parking area.	Complied [We have installed 200 KW Capacity of solar power plant over the roof top of parking area and the same energy is being utilised for illumination purposes] Please refer Annexure-13
10	PP to ensure use of briquette / bio coal / pellets / or any such suitable product derived from scientific processing of appropriate stream of dry waste /agriculture waste not less than 50% of total fuel requirement to the boiler.	Not Applicable [Ours system is based on the Waste Heat Recovery Boiler (WHRB) and do not require any fuel for the Boiler]
11	PP to provide roof top rain water harvesting facility.	Complied [We have connected all the rooftop downcomers to stormwater drain; which has further connected to RWH Pond and underground boreholes for recharge purposes] Please refer Annexure-14
12	PP to ensure that proposed project is ZLD.	Agreed [We have provided ZLD and treated waste water have been utilized for dust suppression & plantation purposes on internal paved roads only.] Please refer Annexure-2
General Conditions:		
1	The project proponent shall advertise at least in two local newspapers widely circulated in the region, one of which shall be in the Marathi language of the local concerned within 7 days of the issue of this	Complied We have advertised the copy of both the EC in two local newspapers; as per the stipulated condition.

	letter, informing that the project has been accorded environmental clearance and copies of environment clearance letter are made available with the Maharashtra Pollution Control Board, web site of the company and may also be seen at website at http://parivesh.nic.in .	We have also displayed the copy of the ECs on our company website i.e., www.lloyds.in . Please refer Annexure-15
II	The Project Proponent shall upload the status of compliance (soft copies) of the conditions stipulated EC letter including monitoring data of air, water, soil, noise etc. on their website and shall update the same periodically. The half yearly compliance report shall simultaneously be submitted to the MPCB, SEIAA and Regional Office of MoEF&CC at Nagpur, on 1st June and 1st December of each calendar year.	Complied [We have uploaded the status of the compliance for the period Apr-2024 to Sept-2024, dtd. 20.11.2024 on company website; also, the copy of the same was submitted to the Authority] Please refer Annexure-16
III	Separate fund shall be allocated for the implementation of EMP along with item wise break up and specific time line for its completion. The cost shall be included as per of the project cost. The funds earmarked for the environmental protection measures shall not be diverted for other purposes and year wise break up expenditure should be reported to the MPCB and SEIAA.	Complied [We have implemented the EMP as specified along with break-up of specific items with timeline] Please refer Annexure-10 & 17 for APCS; Annexure-2 for WPCS; Annexure-8 for Solid waste management; Annexure-4 for Green Belt; Annexure-20 & 21 for Env. Monitoring.
IV	A separate Environment Management Cell with qualified personal shall be set up for implementation of the stipulated environmental safeguard measures.	Complied [We have established a separate Environment Management Cell with qualified personal along with other supporting staffs to monitor day to day compliance.] Please refer Annexure-18
V	In the event of failure of any pollution control equipment, the manufacturing activity shall be immediately stopped safely till the effective functioning of pollution control equipment's is regained.	Agreed [We have done the interlinking of production activities with all the connected APCS to stop the manufacturing activity in the event of failure of any pollution control equipment]
VI	PP to strictly follow condition stipulated in the Consent to Establish /Operate issued by the MPCB.	Agreed [We are complying with the CTO conditions.]
VII	PP to provide separate drains for storm water and effluent, and ensure that the storm water drains are dry all the time and in no case the effluent shall mix with the storm water drain.	Complied We have provided separate drains for storm water and effluent, and ensures that the storm water drains are dry all the time and in no case the effluent shall mix with the storm water drain. Please refer Annexure-19
VIII	Periodic monitoring of ground water in the study area as marked in the environmental impact assessment report shall be undertaken and results analysed to ascertain any change in the quality of water.	Complied [Periodic monitoring of ground water quality is being carried out and results are analysed. The test results found to

	Results shall be regularly submitted to the MPCB.	be very well within the prescribed norms.] Please refer Annexure-20
IX	The overall noise levels in and around the factory premises shall be kept within the prescribed standard under the EP Act, 1986 and rule 1989 as emended from time to time by providing adequate noise control measures and protective equipment's like ear plug etc.	Complied [Noise levels have been monitored regularly; the results found to be very well within the prescribed standard. All the workers have been provided with protective equipment's like ear plugs, ear muffs etc.] Please refer Annexure-21
X	Adequate safety measures shall be ensured to limit the risk zone within the factory premises. Leak detection system shall be installed for early detection and mitigation purpose.	Agreed [We have adopted adequate safety measures so as to limit the risk within the plant premises. Leak detection system will be installed as & when require]. Please refer Annexure-22
XI	PP to scrupulously follow the requirements of Maharashtra Factories Act, 1948 and rules 1963 as amended from time to time.	Agreed [We have dedicated Safety team to observe the requirements of MFA, 1948 & MFR, 1963 and their amendments on day-to-day basis]. Please refer Annexure-22
XII	The environment statement for each financial year ending on 31 st March in Form-V as is mandated to be submitted by the PP to the concerned Pollution Control Board as prescribed under the EP Rule, 1989 as amended from time to time, it shall also be put on the website of the company along with the status of the compliance of the conditions stipulated in the EC letter.	Agreed [We have received the 1 st CTO on Dtd. 18.09.2023 and thereafter we have started the production activity and therefore we have submitted the Form-V on dtd. 22.09.2024 for the FY 2023-2024.] Please refer Annexure-23

नागपूर.

विषय :-Submission of Wildlife Conservation Plan of Konsari Plant of Lloyds Metals and Energy Ltd. Located at Konsari Ashti, Chamorshi Tehsil, Gadchiroli District, Maharashtra.

- संदर्भ :- १. केंद्र शासन, पर्यावरण मंत्रालय, वन व हवामान बदल (Impact Assessment Division) यांनी प्रकल्प यंत्रणेस उद्देशून लिहिलेले पत्र क्र. F. NO. J-11011/465/2022-IA-II(I), Dated- 27 January, 2023
२. वनसंरक्षक तथा क्षेत्र संचालक, ताडोबा अंधारी व्याघ्र प्रकल्प, चंद्रपुर यांनी आपणास उद्देशून लिहिलेले पत्र क्र. कक्ष-५/सर्व्ह/२६५, दि. ०२/०५/२०२३
३. या कार्यालयास लिहिलेले आपलेकडील पत्र क्र. कक्ष-१(ब)/सर्व्ह/२३-२४/११४, दि. १७/०५/२०२३

मे. लॉयड अँड एनर्जी लिमिटेड, यांचे विषयांकित प्रकरणी पर्यावरण मंत्रालया मार्फत मंजुरी मिळणेकामी प्रस्ताव सादर करण्यात आला होता. पर्यावरण मंत्रालयाने संदर्भ पत्र १ अन्वये अट क्र. १४ (iii) नुसार खालील अट घालून दिलेली होती.

"14(iii). Chaprala Wildlife Sanctuary is at a distance of 2.80 km from the project site boundary. A conservation plan shall be prepared & approval from Competent Authority shall be obtained."

वरील अटीचे अनुषंगाने, वनसंरक्षक तथा क्षेत्र संचालक, ताडोबा अंधारी व्याघ्र प्रकल्प, चंद्रपुर यांनी त्यांचे दिनांक ०२/०५/२०२३ रोजीचे पत्रान्वये प्रकल्प यंत्रणेने सादर केलेला वन्यजीव संवर्धन आराखडा आपणास सादर केलेला होता. सदर वन्यजीव संवर्धन आराखडा संदर्भ पत्र ३ अन्वये शिफारसीसह आपले मार्फत या कार्यालयास सादर केला आहे.

प्रकल्प यंत्रणेने १० वर्षासाठी एकूण रु. ४३८.०० लक्ष आर्थिक तरतुद असलेला खालील विवरणानुसार, वन्यजीव संवर्धन आराखडा सादर केलेला आहे.

Budgetary Proposal for Wildlife Conservation Plan		
Sr. No.	Actionable Area	Cost in Rs. (In Lakhs)
1	Reduction in biotic interference	180.00
2	Entry point management within the sanctuary & also on the road within the sanctuary (Entry & Exit)	80.00
3	Participation of stakeholders	31.00
4	Study of Management trends and ecosystem valuation	15.00
5	Habitat restoration programs	20.00
6	Patrolling vehicles for protection	12.00
7	Rebuilding of temple complex outside the protected area in case it is evicted from Sanctuary	100.00
Total		438.00

सदर आराखडा वन्यजीव व्यवस्थापनाचे दृष्टीने पोषक स्वरूपाचा असल्यामुळे त्यास मान्यता प्रदान करण्यात येत आहे.

20. Library establish & inauguration program in Kadholi. 19-02-2025 (Kadholi) marks the birth anniversary of King Shiv Chhatrapati Shivaji Maharaj, and on this auspicious occasion, a library inauguration program was held in Kadoli village. The library is a collaborative effort between Gram Panchayat Kadoli and Lloyds Metal & Energy Limited, Konsari. The library is fully equipped, boasting a seating capacity of 24, and houses an impressive collection of 106 book titles, catering to various competitive exams and storybooks.

21. Chhatrapati Shivaji Maharaj Jayanti celebration. 19-02-2025 (Konsari) The birth anniversary of Chhatrapati Shivaji Maharaj was celebrated with great enthusiasm in Konsari. A rally was organized throughout the village, and wreaths were offered to the image of Shivaji Maharaj at T Point Chowk and Bazarpet Chowk. The entire CSR team actively participated in and supported the program, making it a grand success.

22. Construction of RCC road at Ward No. 3 (Beghar ward).20-02-2025 (Konsari.) There was no paved road in the Beghar ward, so there was a lot of mud on the road during the monsoon. To avoid inconvenience to the people, LMEL constructed 150 RCC roads and one culvert at the required places.

23. Support for Filaria Prevention Programme. 20-02-2025 to 23-02-2025 The Maharashtra State Health Department is currently running a Filaria Prevention Programme in the area. To support this initiative, awareness campaigns were conducted through street plays on the topics of Filaria Prevention and Control, Importance of Hygiene, Promotion of Healthy Habits and Hygiene Practices in the villages of Konsari, Umri, Kadholi, Jayrampur, Bahadurpur, Ramakrishnapur, Dharmapur, Chandankhedi and Rampur in the Konsari Plant area: The aim of these awareness campaigns was to educate the local communities and increase their participation in the Filaria Prevention Programme.

24. Filaria Prevention Community Drug Treatment Campaign. 10-02-2025 to 23-02-2025 Under the National Insect-borne Disease Control Program, the Maharashtra Health Department initiated the "Elephant Disease Community Drug Treatment Campaign". As part of this initiative, medicine was distributed to the entire village & labour camp.

25. Fixed the overhead water tank leak.(konsari) 06-03-2025 There was a pipeline leak in the overhead water tank. As per the request of the Gram Panchayat, our company provided a man lifter machine and fixed the water tank leak.

MOU EXECUTED WITH THE CEMENT PLANTS/ BRICK MANUFACTURERS

MEMORANDUM OF UNDERSTANDING (MOU)

The agreement is made on this day 09 day of Sept. 2023 between:

M/s Lloyds Metals and Energy Ltd (CIN: L40300MH1977PLC019594), having its registered Office at Plot No. A1, A2, MIDC Area, Ghugus, Chandrapur, Maharashtra and Works Office at Lloyds Metals & Energy Ltd, Plot No A1, MIDC Chamorshi (Konsari), Konsari, Chamorshi, Dist.: Gadchiroli, Maharashtra to be referred as the First Party hereinafter referred as the "FIRST PARTY" represented by Shri. Dipak Gangadhar Dudhane Authorized Signatory of Lloyds Metals & Energy Limited for Konsari Plant of Lloyds Metals & Energy Ltd.

AND

M/s. Avani Bricks Ind. Pvt. Ltd. (CIN: DIC-GAD/EM-II/ACKMT/586) Private Limited Company is engaged in the business of manufacturing of Brick / Cement Industry, having product of Cement Bricks and its registered office at Sr. No. 131, Ghat, Teh. (Maharashtra) hereinafter referred to as the "SECOND PARTY" represented by Shri Chamori Am. Gadchiroli. Having all necessary permission from different statutory authorities.

The First Party has constructed its plant at Konsari having capacity of 190 TPD DRI Sponge Plant along with 4 MW WHRB Plant in the State of Maharashtra, District: Gadchiroli, near to Village Konsari, being carrying out Sponge iron activities in the Plant with byproduct of Dol Char, Cinder Ash etc.

Therefore, the First Party approached second party for supply of waste products like Dol Char, Cinder Ash and other solid wastes to the Factory.

The Second Party is having the Cement / Brick Manufacturing Units located at various places & approached for consumption of industrial solid waste suitable to be consumed as raw material in the manufacturing of Brick / Block / Cement.

Now, therefore, in consideration of the above and the mutual understanding and covenants herein, the mutual benefit to be derived there from and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agrees as follows:

1. BASIC TERMS OF THE AGREEMENT:

1.1 Commencement & Terms of the Agreement:

This agreement is deemed to be effective from the date of signing of this agreement and shall remain in force for the period of twelve months.

1.2 Pricing and Payment

The Prices set out in the purchase order (PO) which is an integrated part of this Agreement will change from time to time based on mutually agreed Terms between LMEL & Second Party.

1.3 Supply and Storage Terms:

The First Party will inform to the Second Party, about the schedule of delivery of waste materials like Dol Char and Cinder Ash and 2/3 days in advance about the requirements.

2. REPRESENTATIVE AND WARRANTIES

2.1 All Parties mutually represent, warrant, and confirms to the other parties that the representations and warranties herein are true, correct, valid and subsisting in every respect as of the date of this Agreement.

2.2 The First Party Will Solely responsible for maintaining all statutory obligations related to Factories Act, 1948 and other rules under the purview state of Maharashtra.

3. TERMINATION

This Agreement shall automatically terminate upon:

3.1 On expiry of the duration of agreement.

3.2 In the event of any of the two parties are unable to perform its obligations under this Agreement because of a Force Majeure Event.

3.3 In the event that Parties suffers insolvency, levy of any order of attachment of its material assets, the other party shall be entitled to terminate this Agreement by giving prior written notice of 30 (thirty) days.

3.4 In the event of any party commits breach of any terms and conditions of this agreement and such break is not curable then the party shall terminate this agreement by giving a notice of 30(thirty) days.

4. EFFECTS OF TERMINATION:

Termination of this Agreement for any cause shall not release a Party from any liability which at the time of termination has already accrued to the other Parties or which thereafter may accrue in respect of any act or omission prior to such termination.

IN WITNESS THEREOF the parties have caused this Agreement to be executed by their duly authorized officers or representatives on the day and year first here in above written.

BRIEF

Rupee declines 4 paise to 79.56

MUMBAI, Sep 1 (PTI)

THE rupee declined by 4 paise to close at 79.56 against the US dollar on Thursday due to a stronger dollar in the global markets and foreign fund outflows from domestic equities. Crude oil prices dropping to two-week lows and dollar selling by exporters restricted the rupee losses, analysts said.

At the interbank foreign exchange market, the domestic currency opened at 79.55 per dollar.

Patanjali opens palm oil mill at Niglok

■ Patanjali Foods is one of the largest palm oil plantation companies in India

■ Business Bureau

PATANJALI Foods Limited, formerly known as Ruchi Soya Industries Limited, laid foundation stone for setting up of palm oil mill at Industrial Growth Centre, Niglok, District - East Amravati, Maharashtra on August 31, 2022. The foundation stone was laid by Shri. Acharya and T. T. Minister of Agriculture, Government of Maharashtra.

We have already established 2 nurseries at Pashat and Holang and are in the process of establishing 3 more nurseries in Lower Ssang District at Kharram, TFC and Daga. This will give impetus to local economy and will bring tremendous employment generation along with increase in local farmers' income," the press release said.

became aware within the North East region. Patanjali's NE-ON Palm Programme will immensely benefit the farmers in the region. Over 30 years, the benefits include: average annual production of around 7.5 lakh MT palm oil, saving of about Rs. 10,000 crore of foreign exchange and employment generation for nearly 5 lakh persons.

Patanjali Foods is one of the largest palm oil plantation companies in India. "We have access to palm plantations in 10 states across 11 states, namely Andhra Pradesh, Jharkhand, Karnataka, Gujarat, Odisha, Tamil Nadu, Chhattisgarh, Arunachal Pradesh, Assam, Mizoram and Tripura. We work with 43,000 farm families and have 60,000 ha area under palm plantation," it added.

Sensex, Nifty fall over 1%

MUMBAI, Sep 1 (PTI)

BENCHMARK indices Sensex and Nifty took a beating on Thursday and dropped over 1 per cent each, weighed down by selling in index major Reliance Industries, IT and banking stocks amid weak global trends.

The BSE Sensex fell 770.48 points or 1.29 per cent to close at 58,722.89. The Nifty fell 112.26 points or 1.22 per cent to close at 17,542.89. In the Sensex pack, Reliance Industries, Tata Consultancy Services, Sun Pharma, Tech Mahindra, Infosys, NTPC, Hindustan Unilever, ITC, Power Grid, Bajaj Finance and ICICI Bank were among the major losers. In contrast, Rajal Finance, Asian Paints, Bharti Airtel, Titan, State Bank of India, Mahindra & Mahindra and IndusInd Bank were gainers.

Elsewhere in Asia, markets in Seoul, Tokyo, Hong Kong and Shanghai ended lower. Stock markets in Europe were trading in the negative zone during mid-session data. The US markets had ended in the red on Wednesday. Meanwhile, the international oil benchmark Brent crude declined 2 per cent to USD 93.73 per barrel. Tiff bought shares worth a net Rs. 41,65.86 crore on Tuesday as per exchange data. Markets were closed on Wednesday on account of Ganesh Chaturthi.

Coal stock at electricity generating plants rises to about 30 MT: CIL

NEW DELHI, Sep 1 (PTI)

COAL stocks at power generating plants rose to about 30 million tonnes last month, state-run Coal India said on Thursday, dispelling fears of shortages of fuel for electricity during the monsoon season.

The Government has been making all efforts to build up coal stocks to avoid the recurrence of power cuts seen during the summer this year. "Coal stock at power plants is close to 30 MTs, including imported coal, ending August 22 (Tiff 2021). This is substantially higher than 12.8 MTs of August 21 when the stock plummeted by 11.2 MTs in a month," Coal India Ltd (CIL) said in a statement. The PSU said that enhanced supply of fuel from CIL helped the stock stabilize at power houses. "Closing stock for the month of August 22 is a six-year high, but it is not a record," CIL said.

With a stock of fuel of 31 MT at CIL plants, around 30 MT stock at power plants, and a little over 10 MT in PSU's sidings, goods sheds, private warehouses, ports, captive plants there is sufficient availability of coal in the system, the maharashtra firm said.

Resides, the supply of coal to the power sector also rose to 24.3 million tonnes in the first five months of the current financial year. Coal production by CIL during April-August period also increased by 21 per cent to 25.3 MT, over 20.92 MT in the year-ago period. "This level of increase was achieved despite increased demand across all the areas of CIL (Western Coalfields Ltd) and MCL (Maharashtra Coalfields Ltd)," it said.

CIL production last month rose to 4.2 MT, against 4.2 MT in the corresponding month of the previous financial year.

Gold declines Rs 195; silver drops Rs 863

NEW DELHI, Sep 1 (PTI)

GOLD price in the national capital declined by Rs 195 to Rs 58,723 per 10 grams on Thursday amid a fall in international precious metals prices, according to IIFD Securities.

In the previous trade, the yellow metal had settled at Rs 58,918 per 10 grams. Silver also tumbled by Rs 863 to Rs 52,819 per kilogram. In the international market, gold was quoted lower at USD 1,703 per ounce.

NAGPUR IMPROVEMENT TRUST

G-TENDER NOTICE No. 15/2022-23

Sealed Proposals for Tender are invited from Registered Contractors with R.T./P.W.D./M.C. or other Govt. Deptt. or Regulated Agency as eligibility criteria for the following works. The list along with details of work is uploaded in tender website: www.mahatenders.gov.in

Schedule of Tender Process:-

Sale of Tender Form	From 02.00 PM, on 03.09.2022 upto 02.00 PM, on 08.09.2022
Receipt/ Submission of Bid	From 02.00 PM, on 03.09.2022 upto 02.00 PM, on 08.09.2022
Pre-bid Meeting for T. No. 03 & 04	On 04.09.2022, on 10.08.2022 in the office of Superintending Engineer (M&C), Station Road, NIT Head Office, Naga, Nagpur
Opening of Technical Bid	Date: 03.10.2022 at 02.00 PM, as decided by M.T.

The detailed tender notice will be available on tender website www.mahatenders.gov.in, NIT's website www.nitnagpur.org and on NIT's official social media pages i.e. Instagram, Facebook & Twitter.

Adv. No. 3.E.HQ/15/2022-23 Superintending Engineer (M&C) Nagpur Improvement Trust, Nagpur

MAHASENCO
Maharashtra Sahakar Bank Ltd.

Chandrapur Super Thermal Power Station MAHASENCO, invites Proposals from reputed and experienced Contractors to Participate in the Competitive Bidding Process for following Tenders:

S.N.	Tender No./Title/Description/Estimated Cost in Rs.
01	3000031851 Procurement of Kunda edge gate valve 2000mm with power cylinder for the coal mill K&P-823 for Unit #3 & 4 at CSTPS, Chandrapur/Rs. 90,50,000/-
02	3000031861 Area of work contract for replacement of 800 mm area and Service Building (including Chiller) at Unit #3 & 4 at CSTPS, Chandrapur/Rs. 17,39,95,000/-
03	3000031851 Work of Replacement of high pressure main a steamline, feed line valves, high pressure drain line valve at Unit #3 and 4 and after replacement of steamline, feed line valves and drain line valve at Unit #3 & 4 at CSTPS, Chandrapur/Rs. 14,19,25,000/-
04	3000031861 Annual maintenance contract for Unit #3 & 4 at CSTPS, Chandrapur/Rs. 1,25,00,000/-
05	3000031818 Work of Cleaning of Jamming Return Idlers for 1800 MM Belt Conveyor system in CHP-8/Rs. 25,19,50,000/-
06	3000031817 Cleaning of various Machine premises of Unit #3 & 4 at CSTPS, Chandrapur/Rs. 64,02,75,55/-

Pakistan Army's intrusion plan, Kargil Sector, 1999.

snowfall in winter, it was a routine practice for the Indian and Pakistani soldiers to vacate some of the forward posts in these areas during winters and reoccupy them in summers. But, Pakistan breached this mutual trust and deceitfully occupied fortified several locations that were either vacated in winter (as per the tradition) or unoccupied on the Indian side of the LoC.

The main areas where Pakistani intrusion took place included heights of Mushkoh (also spelt as Mushkoh) valley, along Marpora ridge line in Drass (also as Dras), in Kaksar near Kargil, in Batalik sub-sector to the east of river Indus, the heights above Chorbitla and Turtok sub-sectors. Several peaks in the area are above 15,000 feet in altitude. During winters, the area is covered with snow and temperature falls to 35-40 degrees below zero degrees.

Pakistan might have been master of deceit, but it failed to realise even after several defeats that Indian forces' biggest equipment was determination and bravery. The Indian Army dealt with Pakistan's 'Operation Badr' with a massive 'Operation Vijay', on the strength of brave men, co-operation from the Indian Air Force (Operation Safed Sagar) and the Indian Navy (Operation Talwar) in different areas, supported the locals, and scripted an unparalleled story of victory after initial surprise.

The 8 Mountain Division was inducted into the Sector on May 29, 1999. It retook control of Drass and Mushkoh sub-sectors on June 1, leaving 3 infantry Divisions responsible for Kaksar, Batalik, and Turtok sub-sectors. Gradually, the Indian Army turned the tide. The first success of the war was achieved by the Ladakh Scouts on May 31, when they reached Chorbitla watershed on June 1. This was followed by the historic recapture of Tololing (June 13), Tiger Hill (July 6) in Drass sub-sector and Kaksar, Batalik, and Turtok sub-sectors by July 26. As the war drew to a close on July 26, this particular date is celebrated as 'Kargil Vijay Diwas' every year. In the future, there will be Silver Jubilee of 'Kargil Vijay Diwas', commemorating India's victory in the Kargil war of 1999.

Of course, the victory was not an easy task. Apart from Pakistan, the rugged terrain, rain, icy cold wind, snow, steep climbs, and challenges thrown by the high altitude just made difficult the Indian task of ridding the positions of Pakistani intruders. But, not to be bogged down by challenges, and rising above the odds, the Indian forces brought down the curtains heavily on Pakistani misadventure. Also, the war of 1999 was India's first televised war. During 'Operation Vijay', 559 brave soldiers made the supreme sacrifice in the highest traditions of the Indian Army. Besides 1,536 soldiers were wounded, reads a plaque at the Kargil War Memorial at Dras.

Since the 1999 military misadventure, Pakistan has not dared to mess with Indian determination in protecting own territory. So, as of today, the entire region along Srinagar-Leh is largely secured. The Indian forces are located at the Indian side of the LoC, and the Indian territory, withstanding the vagaries

When he died in 1998, he played a key role in the plan, which entailed Pakistani military across the region several divisions to infiltrate Highway-1A, Pakistan's border territory and off against the Indian forces in Siachen. The Indian Army employed the Northern Light regulars, but the facade that the 'Kashmir' Due to ex in inhospitable rain, and

<p>Submission of Six Monthly Compliance Report (April-24 to September-24) by LMEL, Konsari</p> <p>1 message</p>	
<p>Prashant Dhotekar <pcd@lloyds.in> Sun, Dec 1, 2024 at 12:31 PM To: "apccfcentral-ngp-mef@gov.in" <apccfcentral-ngp-mef@gov.in>, monitoring-ec@nic.in, RO Chandrapur <rochandrapur@mpcb.gov.in></p>	
<p>Dear Sir,</p> <p>Herewith we are submitting the Six-Monthly Compliance Report for the Period of April-24 to September-24 toward Environment Clearance certificates obtained vide ID No. EC22B008MH126424 dated 29.08.2022 and ID No. EC23A1006MH5717615N dated 03.11.2023 for Plot no. A-1, Chamorshi (Konsari) Industrial Area, Village-Konsari, Taluka-Chamorshi, Dist.-Gadchiroli by Lloyds Metals and Energy Limited (LMEL).</p> <p>We have also uploaded the compliance report online on "Parivesh" Portal; please find the attached file.</p> <p>This is for your kind consideration please.</p> <p>Thanking you,</p> <p>For Lloyds Metals & Energy Limited, [R. No. A-1, Chamorshi (Konsari) Indl. Area, Dist. Gadchiroli]</p> <p>Prashant Dhotekar Sr. Manager EHS Statutory Dept.</p>	
<p> Covering Letter, Six Monthly Compliance Report (Apr-24 to Sept-24)_Dtd_21-11-2024, Parivesh-1 Receipt and Parivesh 2.0.pdf 6039K</p>

SAFETY PROMOTION AT SITE AND PPEs COMPLIANCE

SUBMISSION OF ENVIRONMENT STATEMENT (FORM-V) FOR FY 23-24

Maharashtra Pollution Control Board

महाराष्ट्र प्रदूषण नियंत्रण मंडळ

FORM V

(See Rule 14)

Environmental Audit Report for the financial Year ending the 31st March 2024

Unique Application Number

MPCB-ENVIRONMENT_STATEMENT-0000070897

Submitted Date

22-09-2024

PART A

Company Information

Company Name

Lloyds Metals & Energy Ltd. (Unit-2)

Application UAN number

MPCB-CONSENT-0000167695

Address

Chamorshi (Konsari) Industrial Area

Plot no

Plot no. A1

Taluka

Chamorshi

Village

Konsari

Capital Investment (In lakhs)

15000.00

Scale

M.S.I

City

Chamorshi

Pincode

442707

Person Name

G Kumaraswamy

Designation

Sr. Vice President

Telephone Number

9870700789

Fax Number

07172285003

Email

konsari@lloyds.in

Region

SRO-Chandrapur

Industry Category

Red

Industry Type

R53 Iron & Steel (involving processing from ore/ integrated steel plants) and or Sponge Iron units

Last Environmental statement submitted online
no

Consent Number

MPCB-CONSENT-0000167695

Consent Issue Date

2023-09-18

Consent Valid Upto

2024-08-31

Establishment Year

2023

Date of last environment statement
submitted

Jan 1 1900 12:00:00:000AM

Industry Category Primary (STC Code) &
Secondary (STC Code)

Product Information

Product Name

Sponge Iron

Consent Quantity

62700

Actual Quantity

29825

UOM

MT/A

WHRB Captive Power-

4

2

Mwh

By-product Information

By Product Name

NA

Consent Quantity

0

Actual Quantity

Part-B (Water & Raw Material Consumption)

<u>1) Water Consumption in m3/day</u>			
Water Consumption for Process	Consent Quantity in m3/day	Actual Quantity in m3/day	
	0.00	0.00	
Cooling	247.00	205.00	
Domestic	10.00	9.00	
All others	0.00	0.00	
Total	257.00	214.00	

<u>2) Effluent Generation in CMD / MLD</u>			
Particulars	Consent Quantity	Actual Quantity	UOM
Trade Effluent	27	20	CMD
Domestic Effluent	8	7	CMD

<u>2) Product Wise Process Water Consumption (cubic meter of process water per unit of product)</u>			
Name of Products (Production)	During the Previous financial Year	During the current Financial year	UOM
Sponge Iron	0	1.13	

<u>3) Raw Material Consumption (Consumption of raw material per unit of product)</u>			
Name of Raw Materials	During the Previous financial Year	During the current Financial year	UOM
Dolomite	0	0.06	Ton/Ton
Iron Ore	0	1.28	Ton/Ton

<u>4) Fuel Consumption</u>			
Fuel Name	Consent quantity	Actual Quantity	UOM
Coal	75240	24496	MT/A

Part-C

<u>Pollution discharged to environment/unit of output (Parameter as specified in the consent issued)</u>					
<u>[A] Water</u>					
Pollutants Detail	Quantity of Pollutants discharged (kL/day)	Concentration of Pollutants discharged(Mg/Lit) Except PH,Temp,Colour	Percentage of variation from prescribed standards with reasons	Standard	Reason
	Quantity	Concentration	%variation		
TSS	0.38	18.8	-99.6	100 mg/L	Avg. conc. for all the treated effluent
TDS	5.54	277.0	-99.7	2100 mg/L	Avg. conc. for all the treated effluent
BOD	0.11	5.7	-99.6	30 mg/L	Avg. conc. for all the treated effluent
COD	0.59	29.7	-99.8	250 mg/L	Avg. conc. for all the treated effluent
O&G	0.15	7.5	-98.5	10 mg/L	Avg. conc. for all the treated effluent
DO	0.11	5.55	-97.8	5 mg/L	Avg. conc. for all the treated effluent

Free available Chlorine	0.001	0.04	-99.8	0.5 mg/L	Avg. conc. for all the treated effluent
Copper	0.014	0.68	-98.6	1 mg/L	Avg. conc. for all the treated effluent
Iron	0.007	0.37	-99.9	1 mg/L	Avg. conc. for all the treated effluent
Zinc	0.001	0.05	-99.9	1 mg/L	Avg. conc. for all the treated effluent
Chromium	0.0004	0.02	-99.8	0.2 mg/L	Avg. conc. for all the treated effluent
Phosphate	0.001	0.06	-99.8	5 mg/L	Avg. conc. for all the treated effluent

[B] Air (Stack)

Pollutants Detail	Quantity of Pollutants discharged (kL/day)	Concentration of Pollutants discharged (Mg/NM3)	Percentage of variation from prescribed standards with reasons	Standard	Reason
	Quantity	Concentration	%variation		
TPM	45.13	37.0	-9.73	50 mg/Nm3	Avg. conc. from the stack
SO2	281.55	230.81	-56.0	640 Kg/Day	Avg. conc. from the stack

Part-D

HAZARDOUS WASTES

1) From Process

Hazardous Waste Type	Total During Previous Financial year	Total During Current Financial year	UOM
5.1 Used or spent oil	0	0	KL/A

2) From Pollution Control Facilities

Hazardous Waste Type	Total During Previous Financial year	Total During Current Financial year	UOM
0	0	0	MT/A

Part-E

SOLID WASTES

1) From Process

Non Hazardous Waste Type	Total During Previous Financial year	Total During Current Financial year	UOM
Dolchar	0	4913	MT/A

2) From Pollution Control Facilities

Non Hazardous Waste Type	Total During Previous Financial year	Total During Current Financial year	UOM
Ash	0	1149	MT/A

3) Quantity Recycled or Re-utilized within the unit

Waste Type	Total During Previous Financial year	Total During Current Financial year	UOM
0	0	0	MT/A

Part-F

Please specify the characteristics(in terms of concentration and quantum) of hazardous as well as solid wastes and indicate disposal practice adopted for both these categories of wastes.

1) Hazardous Waste

Type of Hazardous Waste Generated	Qty of Hazardous Waste	UOM	Concentration of Hazardous Waste
5.1 Used or spent oil	0	KL/A	NA

2) Solid Waste

Type of Solid Waste Generated	Qty of Solid Waste	UOM	Concentration of Solid Waste
Dolchar	4913	MT/A	Sold to authorized Vendor
Ash	1149	MT/A	Sold to authorized Vendor

Part-G

Impact of the pollution Control measures taken on conservation of natural resources and consequently on the cost of production.

Description	Reduction in Water Consumption (M3/day)	Reduction in Fuel & Solvent Consumption (KL/day)	Reduction in Raw Material (Kg)	Reduction in Power Consumption (KWH)	Capital Investment(in Lacs)	Reduction in Maintenance(in Lacs)
Solar Power Plant	00	0	0	28502	125	0

Part-H

Additional measures/investment proposal for environmental protection abatement of pollution, prevention of pollution.
[A] Investment made during the period of Environmental Statement

Detail of measures for Environmental Protection	Environmental Protection Measures	Capital Investment (Lacks)
Greenbelt Development	Miyawaki Plantation & Mango Orchid nearby Villages	42.55

[B] Investment Proposed for next Year

Detail of measures for Environmental Protection	Environmental Protection Measures	Capital Investment (Lacks)
Improvement of Pollution Control Facility	Improvement of Existing & provision of additional PCF, if require	120.0

Part-I

Any other particulars for improving the quality of the environment.

Particulars

Greenbelt development in & around the factory premises i.e. nearby villages

Name & Designation

G. Kumaraswamy -Sr. VP (Regulatory Affairs and EHQ)
